OFF THE DOCK

WITH D. A. MANN

~ Catching a Break ~

11/12/26

Sometimes, going fishing is not about going fishing at all. Lately, my world has grown a little smaller. Yeah, I'm turning seventy-five on Thanksgiving; but, that's not it. My book, OFF THE DOCK with D. A. Mann hit on Amazon the same day as my wife had her fourth cancer surgery - the good and the horrible in the same day. I'll be hitting the water tomorrow with my phone at my side. I just need a day. If nothing is biting, I at least will catch a break for a few hours.

If you don't have a plan for your life, your life will have a plan for you.

And it won't give you an itinerary.
